

Are you a **HealthTech startup**
or **scale-up** based in or
connected to The Hague?
Let's take it further.

**Expert
Vouchers!**
*Fully funded by the
Municipality*

Limited
number
available!

The Municipality of The Hague and the Zorginnovatiehub Den Haag are investing in promising healthcare innovations. Through the **HealthTech Innovation Brokerage Scheme**, selected companies receive expert support at no cost to the company. The advisory services are funded by the Municipality of The Hague.

Whether your next challenge is regulation, IP, funding or market access, FFUND and its expert partners will help you to gain clarity, strategize and become ready for the future.

YOU ARE

A HealthTech startup or scale-up with ties to The Hague

Based in The Hague region
or **connected to The Hague**
via a customer, user, pilot,
collaboration partner or
implementation opportunity

A HealthTech developer
Digital Health, MedTech (up
to Class IIb), or innovations
impacting the social domain

Impact on care
adding societal and
economic value to The
Hague's healthcare
ecosystem

**Seeking business
advice**
And ready to work with us
in November 2026.

THE VISION OF HEALTHTECH INNOVATION BROKER
